

**Bleed Area**  
You will need to extend your design to fill the bleed area. This area will be trimmed to make sure you don't have any unwanted white lines.

**Safe Zone**  
The safe zone is the 3mm inside of the cut line. Make sure all important parts and text of your design are kept away from this area. Any graphics in this area risk being clipped when cutting.

**Cut Line**  
This is where we aim to cut your design to the finished size. Any part of your design placed on the other side of this line will be cut off.

**Area Not Printed**  
This is an area on the canvas that is not printed on, do not position any artwork here as it will not be on your end print.
