

Supplying Folded Leaflet Artwork

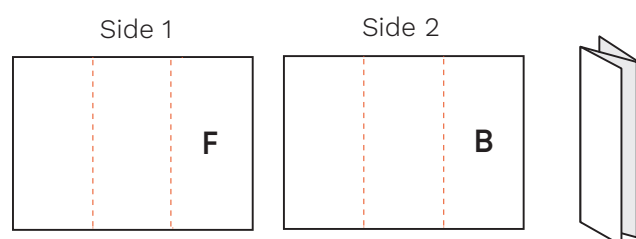

You should submit your artwork using our online proofing tool after you've added your order to the basket.

Here's how to lay out your folded leaflets for printing:

Half Fold

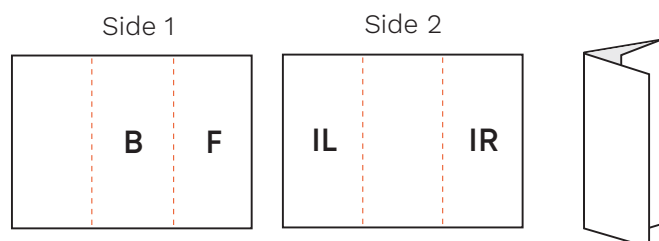

Z-Fold

- F** - Front
- B** - Back
- IL** - Inside Left
- IR** - Inside Right

C-Fold

Cross Fold

For our cross fold leaflets, you will need to submit turn your inside left and inside right panel artwork upside down. This means when they are folded they will show the correct way.
